## Author Check List

1. A corresponding author must submit the manuscript.  

2. The cover letter, describing that the manuscript is not under consideration by any other primary scientific journals or in response to a pre-submission inquiry, is provided.  

3. The font of the text is Arial or Times New Roman with 12-point font size. The main text of the manuscript is typed in double space. Pages are numbered consecutively near the bottom, starting from the title page.  

4. The manuscript includes a title page, abstract, main text, references, tables, and figure legends.  

5. The title page lists all authors with their names (no initials) and affiliations. The contact information (mailing address, e-mail, phone number) of the corresponding author(s) is also provided.  

6. The ORCID information of all authors required for processing the manuscript is provided in the title page. Those who do not have the ORCID information can get it from http://orcid.org.  

7. The running title/short title less than 60 characters including spaces and punctuation is provided below the main title.  

8. The abstract in a single paragraph does not exceed 250 words.  

9. Key words (5 or less) are listed below the abstract.  

10. The main text of the original article consists of Introduction, Materials and Methods, Results, and Discussion.  

11. For human and animal studies, details of informed consent and approval of the Institutional Review Board are provided in the Materials and Methods section.  

12. The Acknowledgments can be placed following the main text.  

13. The disclosure of the ‘Conflicts of Interest’ is described before References.  

14. References are listed in accordance with the JCP style (Refer to the Endnote Style). Please check the number of references according to the category of publication.  

15. All references are checked for accuracy and completeness. References are cited in the text in a numerical order. Make sure that all references listed are cited in the text.  

16. Table(s) with an appropriate title on the top is/are provided after the References. A brief description of the Table contents with statistical information, if necessary, is provided on the bottom.  

17. Figure legends are listed at the end of the manuscript.  

18. Figure files are prepared separately in a tiff or jpeg format.  

19. The Copyright Transfer and Conflict of Interest Disclosure Form is signed by all authors.
